Perfect *Living*
For Smart Families

600+ villas handed over in 14 years | Aiming to complete 1000+ villas by 2030

I am Restin Joseph

Founder / Chairman
of CMR Group

“*I stand guarantee
for the promises I make...*”

I am

proud to be an entrepreneur who could build and hand over almost 600+ villas within a period of just 14 years. I ensure that every Sq. Ft. of CMR villas maintains excellent quality and workmanship by using high quality branded materials and employing expert and experienced labourers under the guidance of qualified professional Engineers.

The brand, quality and specifications of materials used for all CMR villas are detailed in the previous pages for your better understanding.

All common luxurious amenities offered for each project shall be completed before 31st December 2026 and hand over the project to owners association. All villas will be completed and keys handed over within eight months of land registration and payments as per schedule. In the unlikely event of my failure to do so, you need to pay 20% less on the construction cost.

My guarantee is a perfect home, ideal for your comfort, happiness and peace of mind.

You may contact me any time:

ABOUT COMPANY

CMR DEVELOPERS PVT. LTD.

**Live in luxury doesn't mean live in concrete jungle.
With CMR Villas, living comes naturally.**

All projects of CMR are built amidst greenery without compromising the comforts and facilities of town living. Established in the year 2012, CMR has completed 600+ luxury villas in Kannur Dist. With elegant vastu designs, top quality construction and personalised customer service, CMR has become the favourite home maker of middle income families.

With the mantra of "Quality in whatever we do", today CMR is on the way to scale new horizons by fulfilling every family's dream of "My Own Home".

CMR has the credit of housing 600+ happy families in just 14 years. We achieved this honour by most of our customers bringing one or more of their friends/relatives to share their joy of fine living.
